I have just received your letter of the 10th inst.
and am glad to hear that you are well.
I am writing you a few lines to let you know
that I am still in the same old place.
I have not much news to write at present.
I am still very busy with my work.
I hope to hear from you again soon.
Yours truly,

1. The first part of the paper is devoted to a general discussion of the problem.

2. In the second part, we shall consider the special case of a homogeneous system of linear equations. We shall show that the system has a non-trivial solution if and only if the determinant of the coefficient matrix is zero.

3. Finally, we shall discuss the case of a non-homogeneous system of linear equations. We shall show that the system has a solution if and only if the rank of the coefficient matrix is equal to the rank of the augmented matrix.
